Dear Friends of Westtown Monthly Meeting,

In our most recent letter of appeal for philanthropic support, we, the undersigned, noted that we would send in a timely manner additional logistical information about the annual gathering of the Ad Hoc Donations Committee. The purpose of that group is to make reasoned allocations of funds raised beyond our budgeted commitments this fiscal year.

F/friends interested in joining the Ad Hoc Donations Committee should contact Elson Oshman Blunt at the email address below. As in past years, we anticipate meeting shortly after the June Meeting for Business.

Additionally, for everyone: follow the link to [this form](#) to find more information on the donations process as well as an opportunity to suggest and provide feedback about organizations consistent with the Meeting’s Quaker values, interests, and history which we are called to support as a corporate body. Our intent is to formalize and more widely share this process that may have been confusing in the past.

This form will remain open until the **May 19th Meeting for Business**.

We thank you for your participation in the financial life of the Meeting!

Sincerely,

Westtown Monthly Meeting Finance Committee
